Her address is 403 Evans. It is the brown house on the corner of Evans and Hilda in the University area; the intersection is at the northeast corner of Bonner Park.

This is our planning meeting for the 2010-2011 meeting year, so bring any ideas or suggestions for activities you'd like to see this coming year.

## MAWS 2012

Now that MAWS 2010 is over we can start focusing on hosting the 2012 conference. Just a reminder that the theme is the Missoula carousel. (editor's note: We talked about calling it "A Carousel of Color")

We have several people who have volunteered for positions already, and there are openings for some other items both large and small. So far we have:

Chairman - Diana

Vice-chair - Joan - plus she is our carousel liaison

Registration - Sonya

Instructor Chairperson - Rikki

Treasurer - Vanetta

Vendors - Sondra

If there is someone I have left out please excuse me, as much of this was discussed at the conference and there was a lot going on. We will also need someone to gather door prizes, design the table settings for the banquet, and other things we should discuss at the Sept. meeting. The August meeting can be hard for everyone to attend so the first real meeting for these topics will be in Sept.

It was also discussed that anyone who has an idea for a conference bag made from jeans **should make an actual sample** to bring to the Sept. meeting, and we can all vote on what parts or complete bags that we want to use. That way we will have plenty of time to start working on them. Feel free to be creative!

We have such a great group that I feel very excited that the planning for the conference can be a really good time.

Thank you, Diana

**They grow so fast! These are the two little lambs who appeared in the May newsletter. Here they are at not quite 3 mos. old.**
